Teachings of the Living Prophets Student Manual The Church of Jesus Christ of Latter-day Saints 2013-11-26 President James E. Faust (1920–2007) of the First Presidency explained the role of prophets and the need for the revelation they receive: “The prophets, seers, and revelators have had and still have the responsibility and privilege of receiving and declaring the word of God for the world. . . . “ . . . These are the prophetic oracles who have tuned in over the centuries to the ‘celestial transmitting station,’ with a responsibility to relay the Lord’s word to others. . . . “This Church constantly needs the guidance of its head, the Lord and Savior, Jesus Christ. This was well taught by President George Q. Cannon, [while

servicing in] the First Presidency: ‘We have the Bible, the Book of Mormon and the Book of Doctrine and Covenants; but all these books, without the living oracles and a constant stream of revelation from the Lord, would not lead any people into the Celestial Kingdom of God’ [Gospel Truth: Discourses and Writings of President George Q. Cannon, 2 vols., sel. Jerreld L. Newquist (1974), 1:323]. . . . “Revelation was required to establish this Church. Revelation has brought it from its humble beginnings to its present course. Revelation has come like flowing, living water. Continuing revelation will lead it forward to the windup scene. But as President [J. Reuben] Clark told us, we do not need more or different prophets. We need more people with ‘a listening ear’ (in Conference Report, Oct. 1948, 82)” (“Continuing Revelation,” Ensign, Aug. 1996, 2, 4, 6–7).

Religion & Alcohol Charles Kevin Robertson 2004 Religion and Alcohol: Sobering Thoughts is an intriguing and thought-provoking collection of ten essays divided into two main parts. The first part focuses on the use or prohibition of alcohol in various religious traditions, with chapters exploring the Christian New Testament, Judaism, Islam, Hinduism, and tribal religions. The second half of the book considers alcohol in its historical context, with chapters examining drinking in medieval monasticism, Victorian England, the American South, and films, as well as the influence

of movements such as Alcoholics Anonymous.

The Saints of Zion Travis Kerns 2018-10-01 The Saints of Zion is a fresh look at the history and theology of The Church of Jesus Christ of Latter-day Saints. Although hundreds of books have been published on this topic, The Saints of Zion is an attempt to explain Latter-day Saint history and beliefs from their own perspective. Relying heavily on Latter-day Saint sources for exploration and explanation, the work’s purpose is to present Latter-day Saint theology in such a way that Latter-day Saints would see their beliefs represented fairly and accurately. After presenting a short history and exploration of beliefs, the work turns to present an effective evangelistic methodology for reaching Latter-day Saints with the gospel of the New Testament Jesus.

The Wide Divide D. Gonzales 2018-01-09 Most people are not aware of the wide divide that exists between Mormonism and Christianity. Members of the LDS Church are taught not to question the teachings of the church despite the leaders being instructed to manipulate the facts and hide the truth whenever it is deemed useful to do so. *The Wide Divide* is a comprehensive and chronological study of Mormonism rendered in a holistic rather than a topical approach. It covers the panorama of early Mormon history with a comprehensive analysis of its doctrine. The major premise of the book is, "Are Mormons Christian?" If you are a Mormon, it is very critical that you answer this question correctly before you meet Jesus in eternity. Please do so.

The Mormon Hierarchy D. Michael Quinn 1997 The Mormon church today is led by an elite group of older men, nearly three-quarters of whom are related to current or past general church authorities. This dynastic hierarchy meets in private; neither its minutes nor the church's finances

are available for public review. Members are reassured by public relations spokesmen that all is well and that harmony prevails among these brethren. But by interviewing former church aides, examining hundreds of diaries, and drawing from his own past experience as an insider within the Latter-day Saint historical department, D. Michael Quinn presents a fuller view. His extensive research documents how the governing apostles, seventies, and presiding bishops are likely to be at loggerheads, as much as united. These strong-willed, independent men-like directors of a large corporation or supreme court justices-lobby among their colleagues, forge alliances, out-manuever opponents, and broker compromises. There is more: clandestine political activities, investigative and punitive actions by church security forces, personal "loans" from church coffers (later written off as bad debts), and other privileged power-vested activities. Quinn considers the changing role and attitude of the leadership toward visionary experiences, the momentous events which have shaped quorum protocol and doctrine, and day-to-day bureaucratic intrigue from the time of Brigham Young to the dawn of the twenty-first century. The hierarchy seems at root well-intentioned and even at times aggressive in fulfilling its stated responsibility, which is to expedite the Second Coming. Where they have become convinced that God has spoken, they have set aside personal differences, offered unqualified support, and spoken with a

unified voice. This potential for change, when coupled with the tempering effect of competing viewpoints, is something Quinn finds encouraging about Mormonism. But one should not assume that these men are infallible or work in anything approaching uninterrupted unanimity.

Teachings of the Living Prophets Teacher Manual The Church of Jesus Christ of Latter-day Saints 2013-11-26 Elder Robert D. Hales of the Quorum of the Twelve Apostles declared: Living prophets are leading this church today. The greatest security of members of The Church of Jesus Christ of Latter-day Saints comes from learning to listen to and obey the words and commandments that the Lord has given through living prophets. I would hope that the world would understand the importance of having a living prophet on earth today. (In Conference Report, Apr. 1995, 19; or Ensign, May 1995, 17) As the teacher for this course, you have the opportunity of helping your students recognize the blessing of living in a day when living prophets are upon the earth. You can help them know that Heavenly Father speaks today as He has in all dispensations. When the living prophets speak in an authoritative capacity to the members of the Church, what they say is “the mind of the Lord, . . . the voice of the Lord,

and the power of God unto salvation” (D&C 68:4). Prayerfully study the scriptures and general conference addresses. Seek the Holy Spirit as you choose learning activities that help students grow spiritually. Help students discover, understand, and live the truths presented in the conferences of the Church. This manual supplements your preparation by providing introductory information to the chapters, identifying scriptures and gospel principles, and suggesting ways you can help students understand the doctrine and apply it in their lives.

God and Country Jeffery E. Sells 2005 The consensus is that Utah is a theocracy. From there, opinions diverge as to whether, for instance, the religious influence in Utah indicates a healthy regional democracy (the

Founding Fathers' intent) or whether, especially for those not of the dominant church, Utah presents (1) minor inconveniences compared to colonial America, when Puritans were regularly beheading Quakers or (2) an intolerable, oppressive climate—exactly what the Constitution intended to prohibit. In this volume, some of the most respected legal, historical, philosophical, and theological minds in Utah approach these questions from various perspectives.

Book of Mormon Student Manual The Church of Jesus Christ of Latter-day Saints The Book of Mormon testifies of Jesus Christ and teaches us how to become His disciples. The Prophet Joseph Smith (1805–44) affirmed that “a man would get nearer to God by abiding by its precepts, than by any other book” (History of the Church, 4:461; Book of Mormon introduction). As you study the Book of Mormon and are prayerful, the Holy Ghost continually bears witness to your heart and mind of the Savior’s divine role as the Redeemer of mankind. The Book of Mormon exerts a powerful influence on the hearts of those who receive it and ponder its message. Elder Parley P. Pratt (1807–57), an early convert of the Restoration and an eventual member of the Quorum of the Twelve Apostles, related the following regarding the first time he read the Book of Mormon: “I opened it with eagerness, and read its title page. I then read the testimony of several witnesses in relation to the manner of its being

found and translated. After this I commenced its contents by course. I read all day; eating was a burden, I had no desire for food; sleep was a burden when the night came, for I preferred reading to sleep. “As I read, the spirit of the Lord was upon me, and I knew and comprehended that the book was true” (Autobiography of Parley P. Pratt, ed. Parley P. Pratt Jr. [1938], 37). Modern prophets have continually emphasized the need for every Latter-day Saint to read and reread the Book of Mormon. President Gordon B. Hinckley (1910–2008) declared, “I promise you that if each of you will [read the Book of Mormon], regardless of how many times you previously may have read the Book of Mormon, there will come into your lives and into your homes an added measure of the Spirit of the Lord, a strengthened resolution to walk in obedience to His commandments, and a stronger testimony of the living reality of the Son of God” (“A Testimony Vibrant and True,” *Ensign*, Aug. 2005, 6). President Boyd K. Packer, President of the Quorum of the Twelve Apostles, shared how he learned that studying the Book of Mormon leads to personal revelation: “I found [the Book of Mormon] to be plain and precious. ... “I learned that anyone, anywhere, could read in the Book of Mormon and receive inspiration. “Some insights came after reading a second, even a third time and seemed to be ‘likened’ to what I faced in everyday life” (in Conference Report, Apr. 2005, 6; or *Ensign*, May 2005, 7). Inspiration, as President

Packer testified, will come as you consistently read from the Book of Mormon.

Answering Mormons' Questions Bill McKeever 1983 The Church of Jesus Christ of Latter-Day Saints currently boasts millions of members, thousands of missionaries, and congregations on every continent as well as in the vast majority of the world's countries. It's clear that their influence is still growing in our communities, places of business, and in the

political arena. It's also clear that Christians need to be prepared to answer questions from Mormon friends, neighbors, co-workers, and from fellow believers as well. In this updated and expanded edition of McKeever's popular and practical book, authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask. With more than six decades of combined experience, the authors tackle such tough questions as: Why don't you accept Mormons as Christians? Do you believe Mormonism is a cult? If the LDS church is not true, which church is? How can you explain the many contradictions found throughout the Bible? After offering analysis and responses to these and other

questions, McKeever and Johnson provide helpful appendices that summarize Mormon beliefs, provide 101 Bible references to use in conversation, and expose common logical fallacies. Originally published in the 1980s, this volume has been--and will continue to be--a classic resource to help Christians become more successful in sharing their faith with Mormons.
